

PROGRESS MEASUREMENT SYSTEM

TRAINING MANUAL

Khono Project Control Services

No.22, Corner 2nd St & Voortrekker Ave, Edenvale, Johannesburg

Contents

- 1. Progress Measurement System.....**
 - 1.1. Definitions.....
 - 1.2. Purpose of Progress Measurement.....
 - 1.3. PMS Development Process.....
 - 1.4. Basic Principles.....
 - 1.5. Why not Scheduling Software.....
- 2. Weight Value and Earning Rules.....**
 - 2.1. Weight Value / Factor Role.....
 - 2.2. Weight Value / Factor Demonstration.....
 - 2.3. Steps or Earning Rule.....
 - 2.4. Earning Rules and W.V – EPC Deliverable.....
 - 2.8. Weight Value Calculation – Important Notes.....
 - 2.9. Weight Value –Summary.....
 - 2.10. ER and W.V Development – Points to Consider.....
 - 2.11. More Examples of Earning Rules.....
- 3. Calculation.....**
 - 3.1. Secondary Formula.....
 - 3.2. Primary Formula.....
 - 3.3. Single Deliverable Progress for E, P, C.....
 - 3.4. Multiple Layer Progress for E, P, C.....
 - 3.5. Roll up Progress – E, P, C.....
- 4. Integration.....**
 - 4.1. Integration Concept.....
 - 4.2. Integration – Link Activities to Deliverables.....
 - 4.3. Schedule Level of Details.....
 - 4.4. W.V Calculation - Based on Schedule Level of Detail.....
- 5. Development.....**
 - 5.1. Development Process.....
 - 5.2. Typical Required Inputs (Project’s Deliverables).....
 - 5.3. Development – Engineering.....
 - 5.4. Development – Procurement.....
 - 5.5. Development – Construction.....
 - 5.6. Adding Additional Activities into the Schedule.....
 - 5.7. Practice – Pump Station Project.....
- 6. Updating.....**
 - 6.1. Updating Process.....
 - 6.2. Data Collection Form – Engineering.....

- 6.3. Data Collection Form – Procurement
- 6.4. Data Collection Form – Construction
- 7. Progress Report.....**
- 7.1. Progress Report
- 7.2. Plan Curve Development.....
- 7.2.1. Plan Curve Development
- 7.2.2. Procurement Plan Curve.....
- 7.3. Engineering Progress Report
- 7.4. Procurement Progress Report.....
- 7.5. Construction Progress Report
- 7.6. Overall Progress Report.....
- 7.7. Updating Resource Loaded Schedule
- 7.8. Updating Not Resource Loaded Schedule
- 7.9. Using Updated Schedule Data for Progress Reporting.....
